extra-special childhood rescue--a dog named Honey. Long before Abraham Lincoln led the nation or signed the Emancipation Proclamation, he was just a barefoot kid running around Knob Creek, Kentucky, setting animals free from traps and snatching frogs out of the jaws of snakes. One day, young Abe found a stray dog with a broken leg and named him Honey. He had no idea that the scruffy pup would find his way into Abe's heart, become his best friend, and--one fateful day--save his life. Whether shared at home or in the classroom, this is a good choice for young readers interested in true stories of U.S. presidents.

Francis Scott Key's Star-Spangled Banner
Monica Kulling
2012-01-24 Francis Scott Key was a very busy man. He and his wife had 11 children. He was a lawyer and many people

came to him for advice. But whenever he had a moment, he would jot down a line of poetry. He loved writing poems. When the War of 1812 broke out, Francis became even busier. He was well-respected and often called upon to help keep the peace as the war between the United States and England raged on. One fateful night Francis and his friend helped talk the British Navy into releasing a prisoner of war. But they couldn't return home just yet because the Battle of Fort McHenry was starting! If the British captured the fort, America might very well lose its independence. Francis and his friends could only sit on a boat and observe the battle. For 25 hours they watched in awe. Lincoln and Kennedy Gene Barretta
2016-06-14 President Abraham Lincoln grew up in a

one-room log cabin. President John F. Kennedy was raised in the lap of luxury. One was a Republican and one a Democrat. They lived and served a hundred years apart. Yet they had a number of things in common. Some were coincidental: having seven letters in their last names. Some were monumental: Lincoln's support for the abolitionist movement and Kennedy's support for the civil rights movement. They both lost a son while in office. And, of course, both were assassinated. In this illuminating book, Gene Barretta offers an insightful portrait of two of our country's most famous presidents.
Lincoln's Melancholy Joshua Wolf Shenk
2006-10-02 A nuanced psychological portrait of Abraham Lincoln that finds his legendary political strengths

rooted in his most personal struggles. Giving shape to the deep depression that pervaded Lincoln's adult life, Joshua Wolf Shenk's *Lincoln's Melancholy* reveals how this illness influenced both the President's character and his leadership. Mired in personal suffering as a young man, Lincoln forged a hard path toward mental health. Shenk draws on seven years of research from historical record, interviews with Lincoln scholars, and contemporary research on depression to understand the nature of Lincoln's unhappiness. In the process, Shenk discovers that the President's coping strategies—among them, a rich sense of humor and a tendency toward quiet reflection—ultimately helped him to lead the nation through its greatest turmoil.
