True Bond (Prequel Novella) Bella Johnson 2015-09-15

James Dray lives a privileged life, being the alpha-blood of his Elite family, nothing touches a Lycan of his caliber. Until he meets Kara Heart, a lower class Demon Hunter who is his True Bond. From the moment they meet, his instinctual need to have Kara has him in a battle between social modesty and desire... but it's his choices that will determine both their happiness. Bewitching and irresistible, 'True Bond' leads a magnetizing love story in a paranormal world.

Capturing Jessica Jane Hardee 2016-12-13 Michael, an up-and-coming hyperrealist sculptor from Atlanta, Georgia, is about to get her big break. An expert at carving the female form, she owes much of her success to her muse, best friend, Jess. Michael has been in love with Jess for years but treasures their friendship too much to risk it for uncertain romance. Jess, a special education teacher, values Michael's friendship above everything else in her life. Can one passionate kiss change everything she thought she felt about Michael? Can Michael make the choice between a dear, lifelong friendship and capturing Jessica?

The Naked Neighbor L. C. Carey 2016-12-03 How can a man work when his sexy neighbor is always naked? Quaid Marshall's life has hit rock bottom. He's lost the most recent of his dead-end jobs, has been evicted from his apartment, and if not for the charity of his sister, he'd be living under the overpass in a cardboard box. Instead, she's loaned him the use of her Smoky Mountain ski cabin in the woods of North Carolina so he can finish the screenplay he's been avoiding finishing for two years. Since the day he drove the car into that tree, killing his fiancé, David. The day Quaid's life went to hell. With nothing left to lose, Quaid's determined to finish the stupid screenplay and enter it in the ScreenWay Magazine contest, with its \$25,000 grand prize. He knows it's stupid to rely on a contest for income, but his bossy baby sister insists he try, and she's the one paying the bills... But it isn't going well. His sister neglected to tell him about the next-door neighbor...the incredibly hot, incredibly tall, incredibly buff next-door neighbor...the one who likes to sunbathe in the raw. The one with the incredible package nestled in neatly trimmed dark curls. How the hell was Quaid supposed to write a horror script when all he could think of was the sexy opening of a romantic comedy? And how the hell was he supposed to look himself in the eye every morning in the mirror when he felt so disloyal to David's memory? Keywords: gay contemporary romance, steamy romantic comedy elements, m/m erotic romance, GLBT romance

The Secret Terrorists Bill Hughes 2020-11-27

Born in Blood Alexandra Ivy 2013-03-19 To find a brutal killer, a copy must team up a woman who can read the final thoughts of the dead in this paranormal romance series opener. Enter the dark world of the Sentinels—humans cast out due to their special abilities, treading the line between life and death,

good and evil, pleasure and pain . . . Sergeant Duncan O'Conner has seen it all before. Beautiful erotic dancer, murdered at home, no suspect, no motive. But there's one clue: she's missing her heart. It's enough to make the hard-bitten Kansas City cop enlist the help of a necro—one of the dead-channeling freaks who live in the domed city of nearby Valhalla. It's a long shot, but desperate crimes call for desperate measures. Unlike the other "high-bloods" in Valhalla, Callie Brown considers her abilities a gift, not a curse. But when she reads the dancer's final thoughts, she senses a powerful presence blocking her vision. This is no ordinary homicide. This is the work of a legendary necromancer who controls souls. A ravenous force that will put Callie's skills to the test, O'Conner's career at risk, and both their hearts on the line . . . literally. Praise for New York Times—bestselling Author Alexandra Ivy "Beyond the Darkness kept me riveted! The Guardians of Eternity series is highly addictive." —Larissa Ione, New York Times bestselling author "Ivy always packs her books with buckets of action, emotion and sexy sizzle. Another winner!" —RT Book Reviews on Devoured by Darkness

Alpha Kaden Midika Crane 2017-05-11 "Lock your doors. Hold them tight. Close your windows. Every night. Don't go out, in case he's there. Always live in total fear." Everyone knows of Alpha Kaden, a man of twisted riddles and cryptic puzzles. His identity is one of them. His touch, another. He is feared throughout all 13 packs for his reputation of stealing young women out of their beds. And tonight he has come to steal Mara to make her a player in his wicked game. But when Mara discovers the truth behind his sadistic mind games everything changes

and she finds herself questioning what is real, and what is not. Mara always assumed her mate would be a man from her own pack. A good man. Not a sadistic, sinful Alpha named Kaden.

Her Tender Tyrant Elizabeth Lennox 2014-12-19 Marcus moved through life expecting everything to be logical. Science could explain everything and he'd learned to make enormous profits understanding science. So when he runs into the illogical Juliette, his mind has a hard time understanding why she would walk down the street singing and dancing. There wasn't any music! But no matter how much he craved logic and reason, his body craved Juliette more. Juliette is fascinated by Marcus's stoicism. How could he walk down the street and not feel the joy in the sunshine? How could he ignore the sounds of the grasshoppers and birds? Or smile at the perfection of a flower? And how could her mind and body need a man who didn't understand the joy of living life for the moment? Enjoy the fifth book in The Alfieri Saga!

Wonkenstein Obert Skye 2013-05-21 Twelve-year-old underachiever Rob has better things to do than read. His parents give him lots of books but most of them just end up in the messy pile of junk he keeps locked in his

closet that once doubled as a makeshift science laboratory. One day, Rob hears weird sounds coming from behind his closet door and discovers a funny little creature that seems to be a cross between two characters from books he's tried to ignore. He names him Wonkenstein. Keeping track of "Wonk" is hard work. But with help from friends and a little off-the-wall magic, Rob and Wonkenstein's crazy adventures set the stage for great laughs . . . and Rob might even read some good books along the way.

Just Wanna Testify Pearl Cleage 2011-05-10 Familiar faces and places meet fresh twists and turns in this enthralling novel from acclaimed author Pearl Cleage. Atlanta's West End district has always been a haven and home to a coterie of unique characters—artists and thinkers, dreamers and doers. Folks here know one another's names, keep their doors unlocked, and look out for their neighbors. Anyone planning to sell drugs, vandalize, or rob a little old lady should think twice before hitting this part of town. And Blue Hamilton, West End's unofficial mayor and longtime protector, will see to it that you do. Blue wears many hats here, including adored husband to Regina, dear nephew to Abbey, and doting father to Sweetie and another little one on the way. Blue is also the man you pay your respects to if you're looking to set up shop in this urban enclave—just ask Serena Mayflower, whom Blue sees striding down Ralph David Abernathy Boulevard wearing skin-tight black leather pants, thigh-high boots, and bright red lipstick. This tall, slender, ethereally beautiful woman and her four equally striking sisters make up the Too Fine Five, a quintet of international supermodels who have arrived in town for an Essence magazine photo shoot. But Blue's gut tells him that there's more to these Mayflower mademoiselles than their affection for full moons and Bloody Marys. With the help of his beloved Regina and their close friends and relations in West End, Blue vows to uncover the women's secret intentions—and prove once and for all that there is no greater force on earth than the power of love. A mesmerizing slice of not-so-everyday life, brimming with wicked wit and spiced with a few supernatural surprises, Just Wanna Testify showcases Pearl Cleage's masterly storytelling at its soulful and satisfying finest.

Alphabeatz Woshe 2019-08-20 Graffiti writing was born in the streets of Philadelphia in the late 1960s. But it was in New York in the early 1970s that it became a full-fledged urban art, gradually taking over the landscape of the city, from its walls to its subway cars. This is a writing manual, a detailed examination of how graffiti writers have developed the twenty-six letters of the alphabet. It includes the contribution of ten of the international scene's most talented creators answer Woshe's questions about matters that include their practice, their relationship with letters and their backgrounds. It includes a map of New York with the sites where the most important graffiti are located.

PCB Design for Real-World EMI Control Bruce R. Archangeault 2013-06-29 Proper design of printed circuit boards can make the difference between a product passing emissions requirements during the first cycle or not. Traditional EMC design practices have been simply rule-based, that is, a list of rules-of-thumb are presented to the board designers to implement. When a particular rule-of-thumb is difficult to implement, it is often ignored. After the product is built, it will often fail emission requirements and various time consuming and costly add-ons are then required. Proper EMC design does

not require advanced degrees from universities, nor does it require strenuous mathematics. It does require a basic understanding of the underlying principles of the potential causes of EMC emissions. With this basic understanding, circuit board designers can make trade-off decisions during the design phase to ensure optimum EMC design. Consideration of these potential sources will allow the design to pass the emissions requirements the first time in the test laboratory. A number of other books have been published on EMC. Most are general books on EMC and do not focus on printed circuit board design. This book is intended to help EMC engineers and design engineers understand the potential sources of emissions and how to reduce, control, or eliminate these sources. This book is intended to be a 'hands-on' book, that is, designers should be able to apply the concepts in this book directly to their designs in the real-world.

Mourning Wood Heather M Orgeron 2021-03-02 She's hard up. He's just hard... After an ill-fated one-night stand, Wyatt Landry was the last person I ever expected to see again. By design, mind you, as I spent the last two years avoiding him. He was only ever meant to be a good time—a really good time—and now, thanks to one teensy little mistake, he's back in my life and wielding an entirely different set of tools. It's not like I intentionally hired a bogus contractor to redo our chapel, and Lord knows I never imagined Wyatt would ride up in his pickup truck, like a knight in thigh-hugging blue jeans, to save the day. But here he is, and to make matters worse, he's every bit as charming as I remember, and before I can fully process his reappearance in my life, he has my six-year-old daughter wrapped around his finger, my parents eating out of the palm of his hand, and my best friend shipping us like we're some celebrity couple. Thankfully, working in the death industry, I've mastered the skill of compartmentalization. Keeping my growing feelings tucked away should be a piece of cake. Except, seeing him every day definitely throws a wrench in that plan. Before I know it, we're trading favors for dates, and as much I don't want to admit it, the feelings for him I thought were dead and buried are taking root and growing into something that looks a lot like love. Daigle Family Funeral Services... don't be caught dead any place else.

Beloved Bella Johnson 2014-10-01 Kara Heart leads a dangerous, dark life. Taking care of her little brother, flunking out of High School and her genetic disposition as a Demon Hunter, have her on a war path. Unannounced, her estranged boyfriend; James Dray, shows up. Leaving

her blind-sided by his raw need to not only save her but make her 'his'. With his disdainful vigilance, natural dominance and instinctive wanting, Kara finds herself desiring a life with James, but at a cost she wishes she could justify. "BELOVED is the first book in the

obsessive, secretive, paranormal romance of Kara Heart and James Dray. An invigorating, satisfying series, that will leave you weak in the knees and begging for more." **308 Circuits** Jan Buiting 2003 This is the ninth in the 300 series of circuit design books, again contains a wide range of circuits, tips and design ideas. The book has been divided into sections, making it easy to find related subjects in a single category. The book not only details DIY electronic circuits for home construction but also inspiring ideas for projects you may want to design from the ground up. Because software in general and microcontroller programming techniques in particular have become key aspects of modern electronics, a number of items in this book deal with these subjects only. Like its predecessors in the 300 series, "308 Circuits" covers the following disciplines and interest fields of modern electronics: test and measurement, radio and television, power supplies and battery chargers, general interest, computers and microprocessors, circuit ideas and audio and hi-fi.

Dragons of Frost and Fire Susan Brown 2015-06-10 "I know she's still alive!" A year ago her mother disappeared in an Alaskan blizzard, but Kit Soriano refuses to give up. Against all logic, propelled by recurring dreams of ice-white dragons and a magical silver knife, Kit journeys to the wilderness town of Silver Claw where her mother vanished. She's clearly not welcome, but her knife throbs with heat and her dreams show the impossible — mythical dragons are guarding her sleeping mother. Desperate, Kit has no choice but to rely on Dai, who knows more than he says about the wild magic rippling beneath the surface of the town. She wants to trust him. But is he her friend or an enemy? If she's wrong, will she too be lost forever in the unforgiving Alaskan wilderness?

The Nomadic Developer Aaron Erickson 2009-05-05 Learn the Real Secrets of Succeeding as a Software or IT Consultant in Any Economic Climate! Despite economic cycles, the idea of using technology to make a company more efficient and competitive—or perhaps even reach a new market—is appealing to all but the most desperate and cash-starved companies. More and more often, those companies look to technology consultants to fulfill their needs. There are real advantages to being a consultant. You make contacts with a lot of different people; you get exposure to many industries; and most important, unlike a software developer in the IT department for a brick-and-mortar company, as a technology consultant, you are the profit center...so long as you are billing. Consulting can be hugely rewarding—but it's easy to fail if you are unprepared. To succeed, you need a mentor who knows the lay of the land. Aaron Erickson is your mentor, and this is your guidebook. Erickson has done it all—from Practice Leadership to the lowest level project work. In *The Nomadic Developer*, he brings together his hardwon insights on becoming successful and achieving success through tough times and relentless change. You'll find 100% practical advice and real experiences—his own and

annotations from those in the trenches. In addition, renowned consultants—such as David Chappell, Bruce Eckel, Deborah Kurata, and Ted Neward—share some of their hard-earned lessons. With this useful guidebook, you can Objectively assess whether the consultant's life makes sense for you Break into the business and build a career path that works Avoid the Seven Deadly Firms by identifying unscrupulous technology consultancies and avoiding their traps and pitfalls Understand the business models and mechanics that virtually all consulting firms use Master secret consulting success tips that are typically left unstated or overlooked Gain a competitive advantage by adding more value than your competitors Continue your professional development so you stay billable even during bad times Profit from both fixed-bid and time-and-materials projects Build a personal brand that improves your resiliency no matter what happens

His to Keep Lydia Goodfellow 2021-09-09 Stolen in broad daylight on her way home from school, for Ava Hanlon, the nightmare is only just beginning. So young and achingly naïve, Ava is no match for her depraved new master, Father Mathew Aaron, a well-respected priest, and a man hellbent on consuming her innocence to the very last drop. There is no hope. No light. There is only Callum. A troubled, tormented young man imprisoned in the same room as her. As each day slips by without rescue, all that is left is this fierce, dark entity stirring between them—something far more threatening to her virtue than even Father Aaron's obsessive game. Something so powerful, it may just make her want to stay for keeps. A dark psychological romance that's full of twists and turns you won't see coming.

Pinocula Obert Skye 2013-09-24 For Rob Burnside, things are going pretty well. His friends are behaving, school isn't too bad, his family's getting along, and Janae, the girl of his dreams, occasionally notices him. Yep, life's okay—until the lying starts. Meet Pinocula, the new creature from Rob's closet. He is a liar and a jokester and is determined to drive Rob crazy. Obert Skye doesn't let his fans down in this hilarious installment in The Creature from My Closet series, which started with Wonkenstein and Potterwookiee.

Wild Wolf Jennifer Ashley 2014-04-01 In the latest Shifters Unbound novel, a man has resigned himself to a life half lived. But a beautiful, courageous woman has him longing for something more... Graham McNeil knows that his pack is unruly, but he's not sure he can take the next step toward Shifertown stability—choosing a new mate. After losing his mate and son long ago, Graham has worked hard to keep his heart in check. And even if he was inclined to bind himself again, his girlfriend, Misty, is human—a fact that won't sit well with Graham's old-fashioned wolves. But Graham is up against a new enemy, one who could spell danger and death to all of Shifertown. Graham must now defend his leadership and save Misty, the woman he has grown to love—before Shifertown is pulled into an all-out war.

Kindred Bella Johnson 2016-10-11 When James Dray met Kara Heart, he knew his life would never be the same. At nineteen, he put everything on the line for his True Bond but his blind devotion caused more problems than he thought possible. Now, married with a child, Kara finds herself afraid and cautious of her Alpha-blooded husband, causing her to flee towards things much worse than James Dray... With Demon Hunters dropping like flies, Kara is suddenly wrapped up in a version of her old life and being Mrs. Dray finally looks as appealing as it should have the first time around. But is it too late to reinstate her wedding bands in one of the most powerful families this side of the twenty-first century?

And will the super power Coven even allow them the luxury? Emotionally tantalizing, Kindred is a roller coaster of real life and paranormal upheaval in a world not unlike our own. BOOK 3 in the HEART OF HUNTERS series.

Disciple IV Abingdon Press 2005-05 DISCIPLÉ IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLÉ program and is prepared for those who have completed BECOMING DISCIPLÉS THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLÉ IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.
