Medical Terminology: A Short Course Davi-Ellen Chabner 2015-10-26

Quickly master the basics of medical terminology and begin speaking and writing terms almost immediately! Using Davi-Ellen Chabner's proven learning method, *Medical Terminology: A Short Course*, 7th Edition omits time-consuming, nonessential information and helps you build a working medical vocabulary of the most frequently encountered prefixes, suffixes, and word roots. Medical terms are introduced in the context of human anatomy and physiology to help you understand exactly what they mean, and case studies, vignettes, and activities demonstrate how they're used in practice. With all this plus medical animations, word games, and flash cards on the Evolve companion website, you'll be amazed at how easily medical terminology becomes part of your vocabulary. Self-teaching text/workbook approach reinforces learning every step of the way with labeling diagrams, pronunciation tests, and review sheets throughout the book. Clear, non-technical explanations demystify medical terminology even if you've had little or no background in science or biology. "Picture Show" activities, practical case studies, and vignettes demonstrate real-life applications of medical terms in describing describe pathology and procedures. Full-color images illustrate anatomical and pathological terms. "Principal Diagnosis" feature shows how medical terms are used in clinical practice by asking you to read physician notes about a case and determine the patient's principal diagnosis. "First Person" narratives help you understand diseases and conditions from the patient's perspective. "Spotlight" feature identifies and clarifies potentially confusing terminology. "Medical Terminology Check Up" at the end of each chapter reinforces your understanding of key concepts. Labeled illustrations in the Spanish glossary present Spanish terms for major anatomical structures. A tablet-optimized Evolve companion website includes word games, learning exercises, audio pronunciations, animations, an anatomy coloring book, electronic flash cards, and more. NEW and UPDATED medical information keeps you current with today's healthcare terminology, and includes new illustrations clarifying difficult concepts and procedures. IMPROVED! Evolve resources "are now optimized for tablet use, and mobile-optimized versions of the flash cards and quick quizzes make it easier for on-the-go study and review. "

The Practice of Management Peter Drucker 2012-07-26 This classic volume achieves a remarkable width of appeal without sacrificing scientific accuracy or depth of analysis. It is a valuable contribution to the study of business efficiency which should be read by anyone wanting information about the developments and place of management, and it is as relevant today as when it was first written. This is a practical book, written out of many years of experience in working with managements of small, medium and large corporations. It aims to be a management guide, enabling readers to examine their own work and performance, to diagnose their weaknesses and to improve their own effectiveness as well as the results of the enterprise they are responsible for.

Fight Fire with Fire Dean Hawkins 2015-12 Are you achieving what you set out to? Do you have a good reason to get out of bed every day? Are you meeting your own expectations? Fight Fire with Fire is for those who want to make real changes in their life, not just talk about it. It's for those with self-doubt, who are scared to put themselves out there. This book provides the spark and the mechanisms to help you go from self-doubt to self-confidence, from procrastination to action, using the tried-and-proven planning and systems that make our Fire Departments so successful at what they do. After all - they can't take a day off, ever. You can use these strategies to help you: lose weight, gain self-confidence, find a new job or get better at your current job, start or complete study, beat an addiction, become a fitter and healthier, you overcome any behaviours or obstacles that are stopping you from reaching your goals. We live in an age of unprecedented opportunity. If you have a plan, ambition and commitment you can achieve great things, regardless of where you started out. It's up to you to carve out your place, to know when to change course, and to know how to stay productive and committed. To do those things well you need to cultivate a deep understanding of yourself and set a game plan in place - not only for what your strengths and weaknesses are but also how to operate day to day, how you prepare, what your values are, and where you can make the ultimate changes. If not now, when? If not you, who? About Dean Hawkins Raised in difficult circumstances, Dean Hawkins was a single-minded kid who learnt how to survive in a tough environment and how to be resilient. He became a decorated Fire Officer with over 30 years in emergency response and management, from the Fire Department to running a successful risk and emergency advisory and training business. Dean is now a prominent author and entertaining keynote speaker, who finds humour in most situations, and remains always grounded. He is insanely curious by nature and enjoys doing new things and the challenge of the journey.
