The Consumer's Guide to Effective Environmental Choices Michael Brower 2009-11-04 From one of the most prestigious nonprofit organizations devoted to environmental issues comes a clear, practical, and

rational overview of the relationship between consumers and the environment. Paper or plastic? Bus or car? Old house or new? Cloth diapers or disposables? Some choices have a huge impact on the environment; others are of negligible importance. To those of us who care about our quality of life and what is happening to the earth, this is a vastly important issue. In these pages, the Union of Concerned Scientists help inform consumers about everyday decisions that significantly affect the environment. For example, a few major decisions--such as the choice of a house or vehicle--have such a disproportionately large affect on the environment that minor environmental infractions shrink by comparison. This book identifies the 4 Most Significant Consumer-Related Environmental Problems, the 7 Most Damaging Spending Categories, 11 Priority Actions, and 7 Rules for Responsible Consumption. Learn what you can do to have a truly significant impact on our world from the people who are at the forefront of scientific research.

Preaching on Wax Lerone A. Martin 2014-11-14 From 1925 to 1941, approximately one hundred African American clergymen teamed up with leading record labels such as Columbia, Paramount, Victor-RCA to record and sell their sermons on wax. While white clerics of the era, such as Aimee Semple McPherson and Charles Fuller, became religious entrepreneurs and celebrities through their pioneering use of radio, black clergy were largely marginalized from radio. Instead, they relied on other means to get their message out, teaming up with corporate titans of the phonograph industry to package and distribute their old-time gospel messages across the country. Their nationally marketed folk sermons received an enthusiastic welcome by consumers, at times even outselling top billing jazz and blues artists such as Bessie Smith and Ma Rainey. These phonograph preachers significantly shaped the development of black religion during the interwar period, playing a crucial role in establishing the contemporary religious practices of commodification, broadcasting, and celebrity. Yet, the fame and reach of these nationwide media ministries came at a price, as phonograph preachers became subject to the principles of corporate America. In *Preaching on Wax*, Lerone A. Martin offers the first full-length account of the oft-overlooked religious history of the phonograph industry. He explains why a critical mass of African American ministers teamed up with the major phonograph labels of the day, how and why black consumers eagerly purchased their religious records, and how this phonograph religion significantly contributed to the shaping of modern African American Christianity.

New York Magazine 1991-05-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Consumer Reports Kevin P. Manion 2006 Consumers Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Yonkers and a state-of-the-art auto test center in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including www.ConsumerReports.org and www.ConsumersUnion.org, and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.
