**His Holiness the Fourteenth Dalai Lama Tenzin Geyche Tethong** 2020-11 This biography of the Dalai Lama—blessed by His Holiness himself—is the most authentic and intimate profile of the world's greatest living spiritual figure. Tenzin Geyche Tethong, a close aide of His Holiness for forty years who became family, offers readers unprecedented access to the Dalai Lama in this beautifully illustrated book. The Dalai Lama's youngest brother, Ngari Rinpoche Tenzin Choegyal, who was only 12 years old

when he accompanied His Holiness on his dangerous 1959 escape to India, is a personal friend of Tethong and the mentor for this book project. As "elders" to the Tibetan community in exile, these men have come together to tell the true story of His Holiness--their brother, friend, and leader. Featuring previously unpublished photographs, as well as interviews and memories of those closest to him, this book renders unparalleled insights into the Dalai Lama's experiences as the preeminent leader of Tibet, and the wealth of his compassion and gentle humor in the face of the ongoing conflict. This is in no small part due to Tethong and Ngari Rinpoche's unique perspectives on many sensitive issues. Richly compelling, *His Holiness the Fourteenth Dalai Lama: An Illustrated Biography* is a stunning visual celebration of the Dalai Lama, sketching a memorable portrait of an icon and a cause that have won the attention and hearts of billions across the world. \* As his long-time personal secretary, Tethong was privy to the Dalai Lama's difficult relationship with India during his exile, with many challenges arising from his host country's ambivalence to Tibet. Tethong candidly discusses India's lackluster attempts at uplifting his people--denying them official documentation, restricting employment, and crowding refugees in the remote location of Dharmasala--citing its fear of angering China as the reason behind its ambivalence towards Tibet. \* Ngari Rinpoche revisits his own profound

memory of their exile: his time in the Special Frontier Force, or the "22" of the Indian Army, a period of his life for which there had previously been little recorded information. Ngari Rinpoche and his wife, Rinchen Khando, were one of the many Tibetans who joined this covert force with the intent of fighting the Chinese, under the guidance of intelligence agencies such as India's RAW and the American CIA. For the very first time, they discuss their American colleagues, the disappointments they faced as part of the "22," and the experiences that led to Ngari Rinpoche's depressive episode. \* Tethong also sheds much-needed light on the Dalai Lama's Nobel Prize-winning campaign for the spiritual and political liberation of his people. He adopts a nuanced approach towards the Dalai Lama's non-violent struggle for Tibetan autonomy, writing frankly about their attempts to mediate the political differences between younger Tibetans in Dharmasala and the Tibetan administration. He also explores the numerous political difficulties faced by the Dalai Lama's cause in the years before its worldwide recognition.

**Dalai Lama** Kyle Archibald 2016-12-04 The 14th Dalai Lama is the current Dalai Lama. Dalai Lamas are important monks of the Gelug school, the newest school of Tibetan Buddhism which is nominally headed by the Ganden Tripas. From the time of the 5th Dalai Lama to 1959, the central government of Tibet, the Ganden Phodrang, invested the position of Dalai Lama with temporal duties. The 14th Dalai Lama was born in Taktser village (administratively in Qinghai province, Republic of China), Amdo, Tibet, and was selected as the tulku of the 13th Dalai Lama in 1937 and formally recognized as the 14th Dalai Lama at a public declaration near the town of Bumchen in 1939. His enthronement ceremony as the Dalai Lama was held in Lhasa on February 22, 1940, and he eventually assumed full temporal (political) duties on 17 November 1950, at the age of 15, after China's invasion of Tibet. The Gelug school's government administered an area roughly corresponding to the Tibet Autonomous Region just as the nascent People's Republic of China wished to assert central control over it. During the 1959 Tibetan uprising, the Dalai Lama fled to India, where he currently lives as a refugee. The 14th Dalai Lama received the Nobel Peace Prize in 1989. He has traveled the world and has spoken about the welfare of Tibetans, environment, economics,

women's rights, non-violence, interfaith dialogue, physics, astronomy, Buddhism and science, cognitive neuroscience, reproductive health, and sexuality, along with various Mahayana and Vajrayana topics.

The Dalai Lama Demi 1998

Dalai Lama Tisha Pond 2016-09-05 Dalai Lama, Tibet's political leader, has strived to make Tibet an independent and democratic state from China. Following the Chinese Invasion of Tibet in 1959 he and his followers have been exiled to India. The Dalai Lamas are believed by Tibetan Buddhist followers to be manifestations of Avalokiteshvara or Chenrezig, the Bodhisattva of Compassion and the patron saint of Tibet. Bodhisattvas are believed to be enlightened beings who have postponed their own nirvana and chosen to take rebirth in order to serve humanity. The Dalai Lama is considered to be the successor in a line of tulkus who are believed to be incarnations of AvalokiteOEvara, the Bodhisattva of Compassion. Tenzin Gyatso is the 14th Dalai Lama in a line of Buddhist spiritual and political leaders of Tibet. Buddhists are followers of Gautama Buddha (c. 563-c. 483 b.c.e.), who believed the troubles of this life can be overcome through moral and mental discipline.

White Lama Douglas Veenhof 2011-05-10 An amazing, often overlooked story of the man who brought Yoga and Tibetan culture to America. Theos Bernard's colorful, enigmatic, and sometimes contradictory life captures an intersection of East and West that changed our world. After years of forcibly stopping foreigners at the borders, the leaders of Tibet opened the doors to their kingdom in 1937 for Theos Bernard. He was the third American to set foot in Tibet and the first American ever initiated into

Tantric practices by the highest lama in Tibet. When Bernard left that sacred land, he was sent home with fifty mule loads of priceless, essential Buddhist scriptures from government and monastery vaults. Bernard brought these writings to America, where he achieved celebrity as a spiritual master. Appearing four times on the cover of the largest-circulation magazine of the day, befriending some of the most famous figures of his era, including Charles Lindbergh, Lowell Thomas, Ganna Walska, and W. Y. Evans-Wentz, and working with legendary editor Maxwell Perkins, the charismatic and controversial "White Lama" introduced a new vision of life and spiritual path to American culture before mysteriously disappearing in the Himalayas in 1947. When Communist China invaded Tibet in 1950, it embarked on a program of “reform” that would eventually affect all of Tibet's citizens and nearly decimate its ancient culture. In 1967, the Chinese destroyed monasteries across Tibet and forced thousands of monks into labor camps and prisons. Gyatso spent the next 25 years of his life enduring interrogation and torture simply for the strength of his beliefs. *The Life of My Teacher Dalai Lama* 2017-07-11 The Dalai Lama tells the life story of his remarkable teacher, Ling Rinpoché, who remained a powerful anchor for him from childhood and into his emergence as a global spiritual leader. The Sixth Ling Rinpoché (1903–83) was a towering figure in Tibetan Buddhism. Combining great learning with great humility, he was ordained by the Thirteenth Dalai Lama and went on to serve as the the head of the Geluk tradition and as the senior tutor to the present Dalai Lama. In temperament and wisdom, he had a profound influence on the Dalai Lama's spiritual development, and he became a steadying presence for His Holiness during the chaotic changes that defined the Tibetan experience of the twentieth century, with the invasion of their county by Communist forces and the subsequent rebuilding of their culture in India. Ling Rinpoché's extensive travels among exiled communities abroad and across India buoyed the spirits of the Tibetan diaspora, and the training and activities of this consummate Buddhist master, here told by the Dalai Lama in the traditional Tibetan style, will inspire and amaze. Over one hundred archival photos bring the text to life.

*Kundun* Mary Craig 1998-09-02 Here is the story of Tibet as told by its remarkable first family--a story of reincarnation, coronation, heartbreaking

exile, and finally the tenacious efforts of a holy man to save a nation and its people. Kundun is the first work to focus on the Dalai Lama's family--his parents, four brothers, and two sisters. Particularly compelling are Mary Craigs portraits of the Dalai Lamas siblings, who have negotiated with China on behalf of their country, enlisted the aid of international allies to spearhead Tibetan Resistance, and worked tirelessly to help thousands of sick and starving refugee children. This remarkable book opens in 1933 with the death of the thirteenth Dalai Lama and the frantic effort among Tibetan authorities to find his reincarnation. In their search for a baby boy displaying the characteristic marks of a Dalai Lama--tiger striped legs, wide eyes, large ears, and palms bearing the pattern of a sea shell--officials were led to a tiny village in northeastern Tibet, home of Lhamo Dhondup, a smart, stubborn toddler already known for his tantrums. Responding calmly when a group of high lamas and dignitaries tested his memory of a previous life, the child easily recognized a rosary, walking stick, and drum belonging to the thirteenth Dalai Lama. In an instant this little boy and his entire family were swept into a world of unending ritual and complex internal politics. Lhamo was installed as the fourteenth Dalai Lama at the age of three, and was known from that point on as His Holiness or Kundun (the Presence), titles even his family members were obliged to use. A few years later the young Dalai Lama and his family

were faced with China's invasion of Tibet. Living in exile since the late 1950s, they have waged a decades-long struggle for the freedom of their country. Particularly compelling are Craig's portraits of the Dalai Lama's siblings, who have negotiated with China on behalf of their country, enlisted the aid of international allies to spearhead Tibetan Resistance, and worked tirelessly to help thousands of sick and starving refugee children.

[The Struggle for Modern Tibet: The Autobiography of Tashi Tsering](#)  
Melvyn C. Goldstein 2015-02-24 This captivating autobiography by a Tibetan educator and former political prisoner is full of twists and turns. Born in 1929 in a Tibetan village, Tsering developed a strong dislike of his country's theocratic ruling elite. As a 13-year-old member of the Dalai Lama's personal dance troupe, he was frequently whipped or beaten by teachers for minor infractions. A heterosexual, he escaped by becoming a drombo, or homosexual passive partner and sex-toy, for a well-connected monk. After studying at the University of Washington, he returned to Chinese-occupied Tibet in 1964, convinced that Tibet could become a modernized society based on socialist, egalitarian principles only through cooperation with the Chinese. Denounced as a 'counterrevolutionary' during Mao's Cultural Revolution, he was arrested in 1967 and spent six years in prison or doing forced labor in China. Officially exonerated in

1978, Tsering became a professor of English at Tibet University in Lhasa. He now raises funds to build schools in Tibet's villages, emphasizing Tibetan language and culture.

**One Hundred Thousand Moons** Tsepon Wangchuk Deden Shakabpa

2009-10 A sustained argument for Tibetan independence, this volume also serves as an introduction to many aspects of Tibetan culture, society, and especially religion with a compendium of biographies of the most significant religious and political figures.

My Land and My People Dalai Lama 2008-12-14 Schooled behind ancient palace walls to become the leader of Tibet, the Dalai Lama has become a spiritual leader to the world and a leading civil rights advocate. My Land and My People tells the story of his life. In the Himalayan City of Lhasa, the four-year-old son of a humble farmer sat on a huge, gilded throne. His childhood would be unimaginable in both its isolation and a people's adoration. His destiny would be one of immense tragedy and the awesome transformation of a man. Written by the Dalai Lama as a young man in exile, this dignified testament re-creates the miraculous search that identified him as the reincarnated leader of his country. It paints a rare intimate portrait of Tibetan Buddhism—a way of life that would end with a terrifying foreign invasion surpassing sanity and reason. And it reveals the evolution of a man from a gentle monk to a world leader—one struggling to

this day to free his country... one able to touch our hearts with the goodness that makes him one of the most beloved men of our time. He was once a small boy who was chosen to rule the most mysterious land on Earth. Now the Dalai Lama tells his, and his country's, poignant story.

**The Seed of Compassion** His Holiness The Dalai Lama 2020-03-24 For the first time ever, Nobel Peace Prize Laureate His Holiness the Dalai Lama addresses children directly, sharing lessons of peace and compassion, told through stories of his own childhood. One of today's most inspiring world leaders was once an ordinary child named Lhamo Thondup. In a small village in Tibet, his mother was his first great teacher of compassion. In everyday moments from his childhood, young readers begin to see that important lessons are all around us, and that they, too, can grow to truly understand them. With simple, powerful text, the Dalai Lama shares the universalist teachings of treating one another with compassion, which Bao Luu illustrates beautifully in vibrant color. In an increasingly confusing world, The Seed of Compassion offers guidance and encouragement on how we all might bring more kindness to it.

*Tibet* Jetsun Pema 1997 The younger sister of the Dalai Lama, and a cabinet officer of Tibet's government in exile, recounts her experiences growing up in Tibet, and shares the culture and traditions of her native land

*Authorized Lives* Elijah Ary 2015-05-12 Delve into the biographies of Tsongkhapa, Khedrup, and Jetsunpa. In *Authorized Lives*, Elijah Ary, former Geluk monk, recognized tulku, and Harvard-trained scholar, looks at various commonly accepted conceptions of Tsongkhapa's biography. He demonstrates how these conceptions evolved in the decades after his death. *Authorized Lives* is the first work devoted to early Geluk history and to the role of biographies in shifting established lineages. As the dominant tradition of Tibetan Buddhism that provides the intellectual backdrop for the Dalai Lama's teachings, the Geluk lineage traces its origins to the figure of Tsongkhapa Losang Drakpa (1357-1419). Gelukpas today believe Tsongkhapa is a manifestation of the bodhisattva Manjushri and revere him with his two heart disciples, Gyaltsap and Khedrup. But as Elijah Ary, a former Geluk monk and Harvard-trained scholar, points out, both of these conceptions of Tsongkhapa arose many decades after his death. Delving into the early Geluk biographical tradition, Ary follows the tracks of this evolution in the biographies of Tsongkhapa, Khedrup, and the influential early Geluk writer and reformer Jetsun Chokyi Gyaltsen.

*The Hidden Life of the Sixth Dalai Lama* Simon Wickham-Smith 2011-05-19

This is the first English translation of a Dalai Lama's biography, and is highly significant for the historical study of the Gaden Phodrang period, around the turn of the seventeenth century. It is not only a biography, but a historical narrative of a legendary character, and illustrates the nature and understanding of Tibetan hagiographical and mystical literature within a sociopolitical context.

*The Dalai Lama* Alexander Norman 2015-11-02 The Dalai Lama is one of the best-known and respected public figures of modern times. A Nobel Peace Prize Winner, advocate for peace and campaigner for compassion, he regularly speaks at sell-out arena tours across the globe. In this new biography, the first in 25 years, Alexander Norman reveals the complex and compelling character of the Dalai Lama in more detail than ever before. Drawing on his long friendship with His Holiness and with his full support, Norman gives unparalleled insights into the Dalai Lama's life, from being chosen as a young boy, his exile from Tibet and his involvement in political negotiations, to the present day. Uniquely, however, this book also reveals the private life of a very public man, including his personal spiritual experiences, daily Buddhist practice and the issues that are closest to his heart. Norman also explains how the turbulent history of Tibet has shaped the Dalai Lama's thinking and personality and corrects the myths that have built up around him. Illuminating, surprising and fascinating, this book is

essential reading for all those who want to understand the Dalai Lama.  
**Tibet** Sam van Schaik 2011-06-28 Presents a comprehensive history of the country, from its beginnings in the seventh century, to its rise as a Buddhist empire in medieval times, to its conquest by China in 1950, and subsequent rule by the Chinese.

**Man of Peace** William Meyers 2017-03 This beautiful tradepaper graphic novel tells the story of one man taking on an empire, calling for truth, peace, and justice for his Tibetan people. Here, in full color for the first time, people can come to know the whole drama of his lifelong struggle. Since the age of 15, the Dalai Lama has defended his people against one of the last great empires, the People's Republic of China. Under its "dictatorship of the proletariat," China began to invade Tibet in 1950, decimating and then continually oppressing its people. Since colonialism cannot be practiced in our era of self-determined nations, China always maintains that the Tibetans are a type of Chinese, using propaganda and military power to crush Tibet's unique culture and identity. Yet the Dalai Lama resists by using only the weapon of truth--along with resolute nonviolence--even worrying some of his own people by seeking dialogue and reconciliation based on his more realistic vision. The great 14th Dalai Lama of Tibet has become the first global Dalai Lama, a prominent transnational leader of all who want to make the dramatic changes actually

necessary for life on earth to thrive for centuries to come. Considered the incarnation of the Buddhist savior Chenrezig or Avalokiteshvara--archangel of universal compassion--he is believed to appear in many forms, at many different times, whenever and wherever beings suffer. Representing the plight of his beloved Tibetan people to the world, he has also engaged with all people who suffer oppression and injustice, as recognized in 1989 by his being awarded the Nobel Peace Prize. Most importantly, the Dalai Lama walks his talk throughout these pages, as he has throughout his life, and he radiates a powerful hope that we can and will prevail. Man of Peace presents the inside story of his amazing life and vision, in the high tension of the military occupation of Tibet and the ongoing genocide of its people--a moving work of political and historical nonfiction brought to life in the graphic novel form--here for all to see.
