Once Upon a Prince Rachel Hauck
2013-05-07 The story that inspired the Hallmark Original movie! He's a royal prince. She's an ordinary girl. But this holiday could change everything. Susanna Truitt never dreamed of a great romance or being treated like a princess—just to marry the man she has loved for twelve years. But life isn't going according to plan. When her high-school-sweetheart-turned-Marine-officer breaks up with her instead of proposing, Susanna scrambles to rebuild her life. The last thing Prince Nathaniel

expects to find on his American holiday to St. Simons Island is the queen of his heart. The prince has duties, and his family's tense political situation means he won't be able to marry for love or even choose his own bride. When Prince Nathaniel stops to help Susanna, who is stranded with a flat tire under the fabled Lover's Oak, he is immediately enchanted by her. And even though he's a total stranger, Susanna finds herself pouring her heart out to him. Their lives are worlds apart, and soon Nathaniel must face the ultimate choice: his kingdom or her heart? With Amusement for All LeRoy Ashby 2006-05-12 With Amusement for All contextualizes what Americans have done for fun since 1830, showing the reciprocal nature of the relationships among social, political, economic, and cultural forces and the ways in which the entertainment world has reflected, changed, or reinforced the values of American society.

Risking Everything Roger Housden 2007-12-18 "Listen, are you breathing just a little, and calling it a life?" —Mary Oliver This luminous anthology brings together great poets from around the world whose work transcends culture and time. Their words reach past the outer divisions to the universal currents of love and revelation that move and inspire us all. These poems urge us to wake up and love. They also call on us to relinquish our grip on ideas and opinions that confine us and, instead, to risk moving forward into the life that is truly ours. In his selection, Roger Housden has placed strong emphasis on

contemporary voices such as the American poet laureate Billy Collins and the Nobel Prize-winners Czeslaw Milosz and Seamus Heaney, but the collection also includes some timeless echoes of the past in the form of work by masters such as Goethe, Wordsworth, and Emily Dickinson. The tens of thousands of readers of Roger Housden's "Ten Poems" series will welcome this beautiful harvest of poems that both open the mind and heal the heart.

Havemercy Jaida Jones 2008-06-24 This stunning epic fantasy debut introduces two exciting new authors—and a world brimming with natural and man-made wonders, extraordinary events, and a crisis that will test the mettle of men, the boundaries of magic, and the heart and soul of a kingdom. Thanks to its elite Dragon Corps, the capital city of Volstov has all but won the hundred years' war with its neighboring enemy, the Ke-Han. The renegade airmen who fly the corps's mechanical, magic-fueled dragons are Volstov's greatest weapon. But now one of its more unruly members is at the center of the city's rumor mill, causing a distraction that may turn the tide of victory. With Volstov immersed in a scandal that may have international repercussions, the Ke-Han devise an ingenious plan of attack. To counter the threat, four ill-assorted heroes must converge to save the kingdom they love: an exiled magician, a naive country boy, a young student—and the unpredictable ace airman who flies the city's fiercest dragon, Havemercy. But on the eve of battle, these courageous men will face something that could make the most formidable of warriors hesitate, the most powerful of magicians weak, and the most unlikely of men allies in their quest to rise against it... Filled with adventure and discovery, treachery and betrayal, Havemercy is a thrill ride to the unexpected—and an unforgettable journey that will linger long after the fire of battle has cleared

Beautifully Ruined Nessa Morgan 2014-03-06 I feel I'm losing it all, everything I've kept near and dear--I'm shoving it away because I don't know how to keep my life in order anymore. What was simply fine and okay is no longer either. My world is growing into one black hole, dragging me down. I've discovered my monsters, I've found my demons, and to make sure no one goes down with me, I've given them an out. I've given Zephyr the out he deserves. But was it worth it? Just when Joey's life seemed to be getting better, one night sends her memory into overdrive. Not able to cope, she pushes away the only friend she could count and tries to cut out all the rest. When a new student walks into her class and is assigned the seat next to hers, Joey's not sure whether punch him or kick him below the belt with how forward he is. All this while fighting the urge to go back and beg Zephyr to be hers again. When the unthinkable

happens, she has a hard decision to make--the hardest she's ever had to make: to stay or go.

Business Essentials Ronald J. Ebert 2010-01-28 The #1 brief Introduction to Business text. The Nomadic Developer Aaron Erickson 2009-05-05 Learn the Real Secrets of Succeeding as a Software or IT Consultant in Any Economic Climate! Despite economic cycles, the idea of using technology to make a company more efficient and competitive—or perhaps even reach a new market—is appealing to all but the most desperate and cash-starved companies. More and more often, those companies look to technology consultants to fulfill their needs. There are real advantages to being a consultant. You make contacts with a lot of different people; you get exposure to many industries; and most important, unlike a software developer in the IT department for a brick-and-mortar company, as a technology consultant, you are the profit center...so long as you are billing. Consulting can be hugely rewarding—but it's easy to fail if you are unprepared. To succeed, you need a mentor who knows the lay of the land. Aaron Erickson is your mentor, and this is your guidebook. Erickson has done it all—from Practice Leadership to the lowest level project work. In *The Nomadic Developer*, he brings together his hardwon insights on becoming successful and achieving success through tough times and relentless change. You'll

find 100% practical advice and real experiences—his own and annotations from those in the trenches. In addition, renowned consultants—such as David Chappell, Bruce Eckel, Deborah Kurata, and Ted Neward—share some of their hard-earned lessons. With this useful guidebook, you can Objectively assess whether the consultant's life makes sense for you Break into the business and build a career path that works Avoid the Seven Deadly Firms by identifying unscrupulous technology consultancies and avoiding their traps and pitfalls Understand the business models and mechanics that virtually all consulting firms use Master secret consulting success tips that are typically left unstated or overlooked Gain a competitive advantage by adding more value than your competitors Continue your professional development so you stay billable even during bad times Profit from both fixed-bid and time-and-materials projects Build a personal brand that improves your resiliency no matter what happens

The Collected Poems Zbigniew Herbert 2010-10-19 This outstanding new translation brings a uniformity of voice to Zbigniew Herbert's entire poetic output, from his first book of poems, *String of Light*, in 1956, to his final volume, previously unpublished in English, *Epilogue Of the Storm*. *Collected Poems: 1956-1998*, as Joseph Brodsky said of Herbert's *Selected Poems*, is "bound for a much longer haul than any of us can anticipate." He continues, "For Zbigniew Herbert's poetry adds to the biography of civilization the sensibility of a man not defeated by the century that has been most thorough, most effective in dehumanization of the species. Herbert's irony, his austere reserve and his compassion, the lucidity of his lyricism, the intensity of his sentiment toward classical antiquity, are not just trappings of a modern poet, but the necessary armor—in his case well-tempered and shining indeed—for man not to be crushed by the onslaught of reality. By offering to his

readers neither aesthetic nor ethical discount, this poet, in fact, saves them from that poverty which every form of human evil finds so congenial. As long as the species exists, this book will be timely."

Business Ricky W. Griffin 2004 For Introduction to Business courses. This best-selling text by Ricky Griffin and Ronald Ebert provides students with a comprehensive overview of all the important functions of business. Each edition has introduced cutting-edge firsts while ensuring the underlying principles that guided its creation, *Doing the Basics Best*, were retained. The seventh edition focuses on three simple rules- Learn, Evaluate, Apply. - NEW- Chapter 2: Understanding the Environments of Business - This new chapter puts business operations in contemporary context, explaining the idea of organizational boundaries and describing the ways in which elements from multiple environments cross those boundaries and shape organizational activities. This chapter sets the stage as an introduction to some of the most important topics covered in the rest of the book, for example: - The Economics Environment includes the role of aggregate output, standard of living, real growth rate; GDP per capita; real GDP; purchasing power parity; and the Consumer Price Index. - The Technology Environment includes special attention to new tools for competitiveness in both goods and services and business process technologies, plus e *Her Tender Tyrant* Elizabeth Lennox 2014-12-19 Marcus moved through life expecting everything to be logical. Science could explain everything and he'd learned to make enormous profits understanding science. So when he runs into the illogical Juliette, his mind has a hard time understanding why she would walk down the street singing and dancing. There wasn't any music! But no matter how much he craved logic and reason, his body craved Juliette more. Juliette is fascinated by Marcus's stoicism. How could he walk down the street and not feel the joy in the sunshine? How could he ignore the sounds

of the grasshoppers and birds? Or smile at the perfection of a flower? And how could her mind and body need a man who didn't understand the joy of living life for the moment? Enjoy the fifth book in *The Alfieri Saga*!

Demonic Dora (Teen Fantasy Series) Claire Chilton 2014-11-19 THE DEMON DIARIES is a whimsical young adult series that combines GOOD OMENS style wit with urban fantasy stories similar to CASSANDRA CLARE'S MORTAL INSTRUMENTS to create an enchanting paranormal series that you won't be able to put down. Embark on an exciting adventure in Hell with DEMONIC DORA. She's finally managed to summon her first demon... Dora Carridine is trying to summon a demon, but she's not very good at Latin and nothing ever works out the way she plans. Her life is fraught with weekly exorcisms and having to watch her father's fire and brimstone TV show every Sunday. So, when Dora finally succeeds in summoning an incompetent demon lord, she's absolutely delighted when all hell breaks loose. She thought summoning a sexy demon lord would be the answer to all of her problems, but her problems are only just beginning when her zealot parents try to burn her at the stake, and Dora is left with only one option—to escape and follow her demon straight into Hell. "Wildly, bizarrely, brain-punchingly inventive!" - Derek Landy, bestselling author of *Skulduggery Pleasant*. DISCOVER THE DEMON DIARIES, WHICH HAS SPELLBOUND 2.5 MILLION READERS. WHAT READERS ARE SAYING "I love how Claire Chilton keeps your pulse racing until the end of the book. The addictive writing plus amusing characters and supernatural stories in these books create an unforgettable read." "If you are looking for an action-packed and funny gothic fiction series with a strong female lead to completely immerse yourself in, then this might be the book series for you." "The descriptions in this hilarious occult series are rich with meaning, and the parody of preternatural characters are brilliantly human." "I love Dora! Her

sarcasm manages to amuse me whether she's being tortured in the academy for demons in Hell or just arguing with the Fallen One in Heaven. Great world building, and the best and most sarcastic characters." □□□□ "Claire Chilton not only conjures a YA fantasy world brimming with magical creatures like vampires, werewolves, zombies, angels, demons, succubus, dragons, elves, fae, fairies, ghosts, gods, shapeshifters and a whole range of mythical monsters, she also creates a few of her own. Were-squirrels, anyone?" □□□□ "If you're looking for a dark teen comedy that is the goth lovechild of Deadpool and Buffy, then look no further. The novels in this series are fast-paced, dogma-driven, satires that focus on an outcast teenage girl who uses witty banter and a spellbook to become a witch and travel to Hell and back. With light humour and a lot of lols along the way, this Sabrina-like heroine explores the horror of death and darkness in even the most heavenly places." □□□□ "An entertaining, humorous and romantic paranormal novel that kept me up past midnight because I couldn't put it down." □□□□ "When the demon lord you're dating takes you home to meet his undead family, and then you're forced to attend school in Hell, you know the romance is going to get a bit weird. This was a fun unearthly romp that will make you laugh out loud. The first story is a bit short, but it's also free. The stories aren't overly romantic, so they're great for older teenage boys and girls." □□□□ "Deliciously thrilling and wickedly silly from the grave and back! If you're tired of depressed heroines, then enjoy this feisty female protagonist as she travels on the road to Hell with nothing but her spells, soul chips and wits to keep her alive." □□□□ "A must-read series of sorcery, comedy, witches and demons. I can't wait for more new releases in this series." □□□□

Canadian Studies in the New Millennium, Second Edition Mark J. Kasoff 2013-06-17
 This popular textbook offers a thorough and accessible approach to Canadian Studies through comparative analyses of Canada and the United States, their histories, geographies, political systems, economies, and cultures. Students and professors alike acknowledge it as an ideal tool for understanding the close relationship between the two countries, their shared experiences, and their differing views on a range of issues. Fully revised and updated, the second edition of *Canadian Studies in the New Millennium* includes new chapters on Demography and Immigration Policy, the Environment, and Civil Society and Social Policy, all written by leading scholars and educators in the field. At a time in which there is a growing mutual dependence between the US and Canada for security, trade, and investment, *Canadian Studies in the New Millennium* will continue to be a valuable resource for students, educators, and practitioners on both sides of the border.

Generational Changes in Terrorist Movements Sabri Sayari 1985

[PCB Design for Real-World EMI Control](#)
 Bruce R. Archambeault 2013-06-29
 Proper design of printed circuit boards can make the difference between a product passing emissions requirements during the first cycle or not. Traditional EMC design practices have been simply rule-based, that is, a list of rules-of-thumb are presented to the board designers to implement. When a particular rule-of-thumb is difficult to implement, it is often ignored. After the product is built, it will often fail emission requirements and various time consuming and costly add-ons are then required. Proper EMC design does not require advanced degrees from universities, nor does it require strenuous mathematics. It does require a basic understanding of the underlying principles of the potential causes of EMC emissions. With this basic

understanding, circuit board designers can make trade-off decisions during the design phase to ensure optimum EMC design. Consideration of these potential sources will allow the design to pass the emissions requirements the first time in the test laboratory. A number of other books have been published on EMC. Most are general books on EMC and do not focus on printed circuit board design. This book is intended to help EMC engineers and design design. This book engineers understand the potential sources of emissions and how to reduce, control, or eliminate these sources. This book is intended to be a 'hands-on' book, that is, designers should be able to apply the concepts in this book directly to their designs in the real-world.

Video Production Handbook Jim Owens 2012-11-12 Techniques matter! Great ideas don't automatically translate into great programs. It's not enough simply to show what is going on. The way you present your subject will influence how your audience responds. You need to choose your picture and sound carefully, to convey your ideas in an interesting, persuasive way. This book will show you how. Video Production Handbook shows the full production process, from inception of idea to final distribution. The book focuses especially on why each step occurs as it does and provides guidance in choosing the simplest methods of creating the shots you want in your video project. Concentrating on the techniques and concepts behind the latest equipment, this book demonstrates the fundamental principles needed to create good video content on any kind of budget. Suitable for students and beginning videographers, the new edition of this

classic text retains its clarity and directness but has been completely revised and updated. This practical sourcebook has been specially prepared to give you an at-a-glance guide to quality video program-making on a modest budget. Emphasis throughout is on excellence with economy; whether you are working alone or with a small multi-camera group. The well-tryed techniques detailed here will steer you through the hazards of production, helping you to avoid those frustrating, time-wasting problems, and to create an effective video program. * Highly visual: more than 450 full color photos and illustrations demonstrate techniques * Modern: Revised by Jim Owens, who brings a wealth of hands-on experience to the text; up-to-date information on current equipment, techniques, and new distribution outlets such as the Web and mobile phones * A complete resource: Detailed teaching ancillaries are available for instructors, including instructor's manual, test bank, sample syllabi, image collection, video content, and more * Brand new coverage of contemporary distribution methods * Interviews featuring industry professionals provide students with inside knowledge of the industry * Sidebars featuring new coverage of topics such as shooting for 3D, shooting with HD SLRs for video, and much more!

Urban Outlaw Magnus Walker 2017-06-01

****THE INTERNATIONAL BESTSELLER****

Magnus Walker is one of life's originals. Serial entrepreneur, fashion designer, TV presenter, motivational speaker and one of the world's most prolific Porsche collectors,

the dreadlocked, tattooed hoarder of individual creativity is a very modern incarnation of success. Raised in the urban decay of Thatcher's Britain, Sheffield-born Magnus Walker left school with just two O levels and drifted for several years before buying a one-way ticket to America. Now, 30 years and three successful businesses later, by following his instincts, rejecting convention and pursuing his passions Magnus has succeeded against all the odds. Here, for the first time, is the full story of his journey from a Northern steel town to the bright lights of Hollywood, from a boy with little hope to an anti-establishment hero. Along the way we'll witness his potent combination of inspiration and graft, discover his motivations and his ambitions, and come to understand his philosophy and the keys to his success. Inspiring and exhilarating, **URBAN OUTLAW** is a compelling tale of succeeding through pure instinct and determination by a man who was brave enough to follow his own path.

Lecture Notes on Geriatric Medicine Nicholas Coni 2003-08-25 With an ever increasing ageing population, medical students need a concise introduction to this challenging client group. The book aims to give the reader an understanding of the physiological changes of ageing and how this results in the presentation and treatment of disease; the role of rehabilitation; the recent reorganisation of medical, social and voluntary services; how effectively to manage disease in older patients. The result is a core text that will appeal to medical students, junior doctors, general practitioners and allied health professionals who want a concise introduction to the subject.

Throb Vi Keeland 2015-01-25 From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the

contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my

end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note - Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.
