*Full-Blood Half-Breed* Cleve Lamison 2014-03-11 In Cleve Lamison's hard-hitting debut, two young men divided by an intense hatred—yet marked with a common destiny—have the power to save the world . . . or destroy it. It's been two thousand years since the bastard spawn of the god Creador lost their war to enslave humankind, transforming the Thirteen Kingdoms into a violent world where the martial arts are exalted as sacred gifts from the gods—and honor is won through arena blood sport. Paladin Del Darkdragón, a sixteen-year-old warrior-in-training, is a “half-breed.” His battle against pure-blood bullies like Fox the Runt has forced him to master the four fighting forms. But when he blends them, he is condemned as a heretic by authorities and banished from the training temples. Seeking redemption, he enrolls in the arena games, savage trials that end in death. This year's games mask an old plot driven by a new prophet. With a horde of Creador's Bastards and an army of fanatics led by Fox the Runt at his command, the Prophet will bend the world to his will or burn it to ash. Paladin faces an impossible choice: redeem his honor in a fight he can't hope to survive, or abandon his loved ones to perish in the sweeping holy war consuming the Kingdoms.

**Half-Breed's Bargain** Samantha Wolfe 2021-09-04 WELCOME TO UNITY CITY... My name is Harlow Walsh. Yes, that Harlow Walsh. You know, the infamous killer enthralled by an evil mage with black magic and used to do all kinds of despicable things before I took him out and freed myself. My past is as violent and inscrutable as the city I now live in, and I keep to myself and avoid any trouble with the preternatural factions who occupy Unity right under all the mortals' noses. I thought I'd found some measure of peace and normalcy living here for the last five years. But all that ends the night a friend asks me for a favor involving the fae, and I meet Van Cabrera, the gorgeous and sexy man my traitorous body inexplicably thinks is mine. My name is Van Cabrera, successful entrepreneur, CEO of my own company, and half-breed bastard of a werewolf and a fae. Despite my success, my life isn't my own thanks to the magically invoked bargain I made with my fae mother when I was young and naïve. When she calls, I have no choice but to do whatever she asks, no matter how reprehensible it might be. It's how I find myself dragged along as her bodyguard to meet with the head of the Unity Coven mage council. I thought it would be one of the easier things she's asked of me. But that changes the instant I catch the intoxicating scent of Harlow Walsh, and my dormant werewolf half is awoken by the last thing I ever expected to find, a mate.

Le Agonie D' Rhino: the Definitive Unholy Halfbreed Marc Graci 2006-05 WHAT IF ROBYN WILLIAMS RAPED A RHINOCEROS? While filming one of his many high budget Hollywood blockbusters, comedian Robyn Williams vented his frustration by raping a female rhinoceros co-star. Fearing public disgrace, Robyn murdered the rhino but not before the birth of his bastard child: Rhinoboy, the Unholy Halfbreed. Now, the Rhinoboy hunts his estranged father to exact vengeance for the murder of his mother. It's a tale of one rhino's quest for revenge and the resulting downfall of one of America's most beloved cultural icons. Unholy Halfbreed broke the mold when first published by Marc Graci in April 2002. It's dark, edgy humor and graphic violence set the comic industry on its ear. In addition to the scintillating story, Graci masterfully satirizes popular modes of thought, addressing homosexual stereotypes, the revolving door of America's justice system, and even the comic book medium itself. Face it: you'd have to be really dumb not to buy this.

Being half native and half non native presents a unique set of circumstances beginning at birth. The reader will travel through several decades detailing epic historical events such as Mount St Helen's, the Space Shuttle and 09/11/01. The reader will also experience Marine Corps Boot Camp and what it's like to be a in Law Enforcement as a Patrol Officer, Narcotics Undercover Agent, a Federal Special Agent and Chief of Police. Halfbreed will be released in three separate books and part three will detail how I dealt with the ultimate betrayal's both personnel and professional while battling the Federal Government in an epic 7 year court battle. Halfbreed will also in part three detail the covenant truth of the Historical Jesus and how the Native Americans in general are of the 10 scattered tribes of Ephraim using both circumstantial and direct evidence to support this theory. I am betting there are literally hundreds of thousands or maybe even millions of people of all races who call the United States of America home who have been told by their parents or grandparents at one time or other that they have connections to the Native Americans somewhere in their family tree. Halfbreed will inspire the reader to seek truth while outlining a basic simple non religious way to be in a daily relationship with our Creator Yod Hey Wav Hey (YHWH) Yahweh aka "God" as shown to us by the Historical Jesus.

**Halfbreed** David F. Halaas 2005-03-16 This is the story of the amazing and uncommon life of George Bent--a "halfbreed" born to a prominent white trader and his Indian wife--whose lifetime spanned one of the most exciting epochs in our nation's history. Raised as a Cheyenne but educated in white schools, George Bent fought for the Confederacy in the Civil War, became a Cheyenne warrior and survived the horrific 1864 Sand Creek Massacre, rode and killed for revenge with the ferocious Cheyenne Dog Soldiers, and later became a prominent interpreter and negotiator for whites and adviser to tribal leaders. He hobnobbed with frontier legends Kit Carson, Buffalo Bill, Wild Bill Hickok, and George Custer, and fought side-by-side with great Indian leaders. After a lifetime of adventures and misfortunes, accomplishments and failures, George Bent made a lasting contribution to the memory of his people by sharing with historians the story of the fighting Cheyennes.

The Half Breed Tracts in Early National America David Ress 2019-11-07 In 1824 and 1830, over one hundred thousand acres across Iowa, Minnesota and Nebraska were set aside as a home for descendants of Native American women and white traders and trappers. The treaties that established these so-called Half Breed Tracts left undefined exactly who held claim to the land, and by the end of the 1850s, settlers and speculators had appropriated virtually every acre for themselves. But in an era of ravenous westward expansion, why did the process of dispossession require three decades of debate and legal maneuvering? As David Ress argues, the fate of the Half Breed Tracts complicates longstanding ideas about land tenure and community in early national America.

*Halfbreed* Maria Campbell 2019-11-05 A new, fully restored edition of the essential Canadian classic. An unflinchingly honest memoir of her experience as a Métis woman in Canada, Maria Campbell's Halfbreed depicts the realities that she endured and, above all, overcame. Maria was born in Northern Saskatchewan, her father the grandson of a Scottish businessman and Métis woman--a niece of Gabriel Dumont whose family fought alongside Riel and Dumont in the 1885

Rebellion; her mother the daughter of a Cree woman and French-American man. This extraordinary account, originally published in 1973, bravely explores the poverty, oppression, alcoholism, addiction, and tragedy Maria endured throughout her childhood and into her early adult life, underscored by living in the margins of a country pervaded by hatred, discrimination, and mistrust. Laced with spare moments of love and joy, this is a memoir of family ties and finding an identity in a heritage that is neither wholly Indigenous or Anglo; of strength and resilience; of indomitable spirit. This edition of *Halfbreed* includes a new introduction written by Indigenous (Métis) scholar Dr. Kim Anderson detailing the extraordinary work that Maria has been doing since its original publication 46 years ago, and an afterword by the author looking at what has changed, and also what has not, for Indigenous people in Canada today. Restored are the recently discovered missing pages from the original text of this groundbreaking and significant work.

"*The Halfbreed*" 2015 This dissertation is the first translation of Balduin Mollhausen's 1861 narrative *Der Halbindianer* [The Halfbreed]. Although Mollhausen is often mentioned recent scholarship, he is either only named in passing or in connection with Alexander von Humboldt, whose protege he was. The following work and the accompanying introduction seek to intervene in this omission and add to the body of work that seeks to eliminate taxonomies of national origin and instead evaluate American literature as the product of a new cultural and linguistic networks. *The Halfbreed* appeared after Humboldt's death and marks his foray into fiction. More importantly, published on the eve of the Civil War, Mollhausen aimed to tell a story "that specifically lays out the prejudices of the Americans against those of darker colored skin and their resulting consequences" to his readers. While he certainly addresses slavery and prevailing racial attitudes of the era throughout the text, the unique feature of the novel is the portrayal of the marriage between the protagonist Joseph, the half-breed, and a young German immigrant girl, Franziska. The most well-known nineteenth century novels that address intermarriage are Lydia Maria Child's *Hobomok* (1824), Catharine Maria Sedgewick's *Hope Leslie* (1827), and *The Wept of Wish-ton-Wish* (or *The Borderers*) by James Fenimore Cooper, which was first printed in 1829. All three novels displace the narrative into early colonial times and portray marriages that are haunted by the specters of war, abduction, and captivity during which white woman are assimilated into Native American culture. *The Halfbreed* was published roughly three decades later, after the Indians were removed to the west of the Mississippi, which made intermarriage in reality even more rare. Yet, the text portrays the union of the educated, Christianized Joseph to the younger, less educated Franziska as taking place in 1852 or 1853, and although the wedding scene is absent from the narrative, the marriage is successful and described through scenes of domesticity of quotidian reality, mutual acceptance of differences, and as having produced children, thus making the text not only exceptional for its time, but also among Mollhausen's oeuvre.
