Women's Writing of the First World War Angela K. Smith 2000 Women from across the social spectrum had their lives transformed by World War I. The literary culture of the early 20th century led a surprising number of women to write about their experiences, recording everything from their emotional responses and political impulses to their new experiences of the world of work. Writing by women as diverse as Sylvia Pankhurst, Virginia Woolf and Vesta Tilley are blended with extracts from the private diaries and letters of unknown women, to provide a sometimes tragic, sometimes comic testimony. From patriotic rhetoric to the gritty realism of the Front Line, this anthology juxtaposes fact and fiction and aims to present a rounded picture of World War I as it was lived and fought by women across Britain.

The Story of the Three Goblins Mabel G. Taggart 2017-06-22 THE STORY OF THE THREE GOBLINS. Once upon a time there were three little goblins. Their names were Red-Cap, Blue-Cap and Yellow-Cap, and they lived in a mountain. The goblins had a great friend--a green frog whose name was Rowley. Rowley came every year to see the little goblins, and told them stories about the Big World where he lived. The goblins had never seen the Big World, and often asked their father to let them go with Rowley, but he always said, "Not yet, my sons." The name of the goblins' father was Old Black-Cap. He was King of the Mountain. At last, one day Old Black-Cap called the three goblins and said to them: "I am going to send you into the Big World to look for something which the fairies stole from me a long time ago. A Red Feather which always belongs to the King of the Mountain. Go, my sons, and the one who finds it shall be king of this mountain after me." Red-Cap, Blue-Cap and Yellow-Cap said good-bye to their father and climbed out into the Big World through a rabbit hole. When they had gone a little way they saw something lying on the ground. Something large and white and round. "What is that?" they all cried together. Red-Cap, who was the eldest, got inside it to see what it was made of. "Oh! oh!" cried Blue-Cap and Yellow-Cap. "It is moving! Stop! Stop!" But the white thing rolled away down the mountain with poor little Red-Cap inside it; faster and faster it went, and Blue-Cap and Yellow-Cap were left quite behind. Now little Red-Cap was a brave goblin, but he was rather frightened when the White Thing began to roll so fast. He wondered if it would ever stop, when--Bump! Splash!--he found he was in the water, and something big with a smooth coat was close beside him. It was a kind water-rat who had seen the poor little goblin roll into the water. "I can swim," said Mr. Rat. "I will hold you by the collar and take you to dry land again." Red-Cap thanked the kind water-rat very much, and they sat down on the bank of the stream to rest. Red-Cap told the rat all about his father and brothers and the Red Feather, and soon Blue-Cap and Yellow-Cap came running up, quite out of breath, but very glad to find their brother quite safe and not even scratched. They all soon said good-bye to the rat, who wished them good luck, showed them the road and told them to look in a tree--which he pointed out--where he said they would find something which would help them very much. The goblins raced to the tree. Yellow-Cap won the race and climbed up quickly, while the others ran all round looking to see what they could find. They found nothing, and Yellow-Cap was just coming down again when he spied a bird's-nest with three dear little blue eggs in it. He crawled along the branch to look at the eggs, and saw something white under the nest. Yellow-Cap pulled it gently, and out came an envelope. Full of joy he slipped down to his brothers. They opened the envelope and found a sheet of paper on which was written in gold letters, - "You who seek the Feather Red First the Serpent's blood must shed; In the cave where fairies dwell The Feather lies, so search it well." "Hurrah!" cried Red-Cap. "Let us make haste and find the cave." Soon they came to a big dark forest, and after they had gone a little way they saw a fence and a large board on which was written in red letters, - TOM TIDDLER'S GROUND TRESPASSERS WILL BE PROSECUTED. The goblins looked over the fence and

saw that the ground was covered with gold and silver! ...

Tok: Magick Tale Pablo Reig Mendoza 2021-01-05 London, England, 1888 AD.

Cabalists, magicians and occultists of every species, scattered through all strata of society, are in frenzied activity. The numbers MDCCCLXXXVIII add up for the first time to 13 characters, and it is a year of opportunity for the servants of the Bond in the age-old secret war between the adherents of the old religion and the Vatican Curia. From the lavish halls of Buckingham Palace, the elderly Empress Victoria and her young Hindu lover - the Munshi - weave together the threads of a secret plan that will return magic to its rightful place: the public eye. While Scotland Yard is racking its brains over the crimes of the Whitechapel Ripper, nascent socialism is at the centre of the events of "Bloody Sunday" and a young Gandhi is initiated into the ancient arcana with Mabel and Gerard. Gerard Duprey will soon become the town's magician and is a key player in the plot that the occult powers have cooked up for the empire. Gerard, like Gandhi, is a peacemaker. His gift is to master any kind of conflict. He has the invaluable help of Mabel Besant and Tok, the dragon of justice. Tok is not at all mythological, but very pneumatic - in the greekest sense of the word. This dragon of scale and bone is the omnipresent guardian of the Bond and is driven by inaccessible designs. The magnetic creature will accompany Gerard, through a more than convulsive twentieth century, so that the designs of the Munshi's plan are scrupulously fulfilled and to discover what has happened to gold since all the gold in the world has disappeared. Pneuma: spirit, breath, wind.

San Francisco's Queen of Vice Lisa Riggan 2017-10 San Francisco's Queen of Vice uncovers the story of one of the most skilled, high-priced, and corrupt abortion entrepreneurs in America. Even as Prohibition was the driving force behind organized crime, abortions became the third-largest illegal enterprise as state and federal statutes combined with changing social mores to drive abortionists into hiding. Inez Brown Burns, a notorious socialite and abortionist in San Francisco, made a fortune providing her services to desperate women throughout California. Beginning in the 1920s, Burns oversaw some 150,000 abortions until her trial and conviction brought her downfall. In San Francisco's Queen of Vice, Lisa Riggan tells the story of the rise and fall of San Francisco's "abortion queen" and explores the rivalry between Burns and the city's newly elected district attorney, Edmund G. "Pat" Brown (father of the present governor of California). Pledging to clean up the graft-ridden city, Brown exposed the hidden yet not-so-secret life of backroom deals, political payoffs, and corrupt city cops. Through the arrest, prosecution, and conviction of Burns, Brown used his success as a stepping-stone for his political rise to California's governor's mansion. Featuring an array of larger-than-life characters, Riggan shows how Cold War domestic ideology and the national quest to return to a more traditional America quickly developed into a battle against internal decay. Based on a combination of newspaper accounts, court records, and personal interviews, San Francisco's Queen of Vice reveals how the drama played out in the life and trial of one of the wealthiest women in California history.
