Saracen Tales Giuseppe Bonaviri 2007 Fiction. Short Stories. Translated from the Italian by Barbara De Marco. In *SARACEN TALES*, Italian-born Giuseppe Bonaviri brings a wild newness to the tale of the life of Jesus. In this succession of stories, Bonaviri explores all manners of the known and unknown, the archetypal, the mythological, the symbolic--the life of Jesus is both his material and his point of departure. Part surrealism, part folklore, readers will be amazed at the originality and creativity with which a long-familiar tale is presented. "Bonaviri is a myth-maker, looking simultaneously to the historical past and to the future, to arrive at the a-historical, at cosmic universality"--Franco Zangrilli. Giuseppe Bonaviri was born in 1924 in Sicily. He began writing when he was ten and continued through high school, college, and in his professional life as a doctor, health official, and cardiologist. His work has been widely translated.

An Armenian Sketchbook Vasily Grossman 2013-07-04 Few writers had to confront so many of the last century's mass tragedies as Vasily Grossman. He is likely to be remembered, above all, for the terrifying clarity with which he writes about the Shoah, the Battle of Stalingrad and the Terror Famine in the Ukraine. *An Armenian Sketchbook*, however, shows us a very different Grossman; it is notable for its warmth, its sense of fun and for the benign humility that is always to be found in his writing. After the 'arrest' - as Grossman always put it - of Life and Fate, Grossman took on the task of editing a literal Russian translation of a lengthy Armenian novel. The novel was of little interest to him, but he was glad of an excuse to travel to Armenia. This is his account of the two months he spent there. It is by far the most personal and intimate of Grossman's works, with an air of absolute spontaneity, as though Grossman is simply chatting to the reader about his impressions of Armenia - its mountains, its ancient churches and its people.

An Indecent Obsession Colleen McCullough 2013-03-28 The Second World War has just ended and Sister Honour Langtree, a caring and conscientious Army nurse, cares for a striking mixture of five battle-broken soldiers being treated in the psychiatric care section of the hospital. To the soldiers, Honour is a precious, adored reminder of the world before war - they are as devoted to her as she is to them. Then Sergeant Michael Wilson arrives. A damaged and decorated hero, Wilson is a man of secrets and silent pain. Honour finds herself drawn to this tortured man, and discovers a love that will ultimately lead to a violent tragedy.

Pamela, Or Virtue Rewarded (illustrated Edition) Samuel Richardson 2021-08-22 One of the most spectacular successes of the flourishing literary marketplace of eighteenth-century London, *Pamela* also marked a defining moment in the emergence

of the modern novel. In the words of one contemporary, it divided the world "into two different Parties, Pamelists and Anti-pamelists," even eclipsing the sensational factional politics of the day. Preached for its morality, and denounced as pornography in disguise, it vividly describes a young servant's long resistance to the attempts of her predatory master to seduce her. Written in the voice of its low-born heroine, *Pamela* is not only a work of pioneering psychological complexity, but also a compelling and provocative study of power and its abuse. Based on the original text of 1740, from which Richardson later retreated in a series of defensive revisions, this edition makes available the version of *Pamela* that aroused such widespread controversy on its first appearance.

The Fourth Dimension Yannis Ritsos 2016-09-29 In the dramatic monologues that make up *The Fourth Dimension*--especially those based on the grim history of Mycenae and its royal protagonists--the celebrated modern Greek poet Yannis Ritsos presents a timeless poetic paradigm of the condition of Greece, past and present. The volume also contains a group of modern narratives, including the famous, and much-anthologized, "Moonlight Sonata." Ritsos, rightly, regarded *The Fourth Dimension* as his finest achievement. It is now presented to English-speaking readers for the first time in its entirety. From "Philoctetes" All the speeches of great men, about the dead and about heroes. Astonishing, awesome words, pursued us even in our sleep, slipping beneath closed doors, from the banquet hall where glasses and voices sparkled, and the veil of an unseen dancer rippled silently like a diaphanous, whirling wall between life and death. This throbbing our childhood nights, lightening the shadows of shields etched on white walls by slow moonlight.

The Seven Spiritual Weapons Catherine of Bologna 2011-07-18 St. Catherine of Bologna, much venerated in her own city, has been little known outside of her native region but interest in her is now increasing. The outline of her life is clear and her own work, *The Seven Spiritual Weapons*, tells a good deal about her inner experiences and early years in the cloister. The introduction to this translation situates her life in the history of Ferrara and Bologna and studies how the external history of the community impinged on Catherine's own religious

experience and how it was interwoven with her successful struggle against depression.

The Nice Old Man and the Pretty Girl Italo Svevo 2011-06-21 ...the sin of an old man is equal to about two sins of a young man. The fable-like story of an old man's sexual obsession with a young woman is a distillation of Italo Svevo's concerns--attraction of an older man to a younger woman, individual conscience versus social convention, and the cost of sexual desire. This novella is a marvel of psychological insight, following the man's vacillations and tortuous self-justifications to their tragic-comic end. It is presented here in a translation first commissioned and published by Virginia Woolf for her Hogarth Press. The Art of The Novella Series Too short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literature's greatest writers. In the Art Of The Novella series, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time.

EUGENIE GRANDET Honoré de Balzac 2011-11-16 This classic work of social satire, carnal desire, greed, and obsession is both an exquisitely drawn portrayal of private life and an extraordinary document of post-revolutionary France. Many people (among them Henry James) have considered Honoré de Balzac to be the greatest of all novelists. Eugénie Grandet, his spare, classical story of a girl whose life is blighted by her father's hysterical greed, goes a long way to justifying that opinion. One of the most magnificent of his tales of early nineteenth-century French provincial life, this novel is the work of a writer on whom nothing was lost, and who represents most fully the ability of the human animal to understand and illuminate its own condition. In a gloomy house in provincial Saumur, the miser Grandet lives with his wife and daughter, Eugénie, whose lives are stifled and overshadowed by his obsession with gold. Guarding his piles of glittering treasures and his only child equally closely, he will let no one near them. But when the arrival of her handsome cousin, Charles, awakens Eugénie's own desires, her passion brings her into a violent collision with her father that results in tragedy for all.

Darkness for the Bastards of Pizzofalcone Maurizio de Giovanni 2016-08-02 Second in the contemporary Italian crime fiction series featuring Inspector Lojacono by the bestselling author of the Commissario Ricciardi novels. A kidnapped child and the burglary of a high-class apartment: Two crimes that seem to have no connection at all until Inspector Lojacono, known as "The Chinaman," starts to investigate.

Darkness for the Bastards of Pizzofalcone is the second book in a series set in contemporary Naples that draws inspiration from Ed McBain's 87th Precinct novels and features a large cast of complicated cops doing battle with ruthless criminals. De Giovanni is one of the most dexterous and successful writers of crime fiction currently working in Europe. His award-winning and bestselling novels, all set in Naples, offer a brilliant vision of the criminal underworld and the police that battle it in Europe's most fabled, atmospheric, dangerous, and lustful city. "Imagine Fellini and Chandler collaborating on a Neapolitan remake of Our Town, and that begins to give you an idea of what you're in for with Darkness for the Bastards of Pizzofalcone. . . . While de Giovanni never wavers from a world where terrible people do terrible things, motivated by selfishness, greed, and loathing (for themselves, for others, for both), he illuminates the soft underbelly of fear and loss without being manipulative." –Los Angeles Review of Books "The police characters are flawed, lovable, and believable—you cannot but take to them. . . . Naples comes through loud and clear in the story."

The Story of the Year Hans Christian Andersen 2020-11-18 The new year had begun and January was already nearing its end, but it was still very cold. The sparrows found it strange, that the men had declared that it was the new year, as everyone knows that the year only begins with the coming of spring. However, spring was late and a few intrepid sparrows decided to go looking for it. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

The Battle of Britain and the Blitz Nigel Fountain 2002 By June 1940 Britain faced the enemy across the English Channel with anxious sense that very little kept her from being subjugated by the overwhelming might of the Nazi forces. What rescued the country was the Royal Air Force's triumph in the Battle of Britain, and the encouragement and endurance of the people who lived, worked and suffered under the Luftwaffe's blitz which, almost nightly from September 1940 until May 1941, rained destruction upon London and other major cities - only to do so again in later campaigns that culminated in the launching of the Nazis' V1 and V2 'vengeance weapons'. Based on eyewitness reminiscences, *The Battle of Britain and the Blitz* relives those desperate times in the words of pilots, ground crew and other airmen and airwomen, firefighters, air-raid wardens, radar operators, potters, anti-aircraft gunners, Red Cross, YMCA and other voluntary workers, and civilians - old and young, male and female - who between them helped ensure that Britain survived to fight another day and, ultimately, to win.
