The Prince of Thieves Alexandre Dumas 2020-03-31 The delights of Dumas' novels are well known. Less known today are his tales of Robin Hood. With pleasure, we present these two old works to a new century of readers. English versions of "The Prince of Thieves" and "Robin Hood the Outlaw" have virtually disappeared from bookshelves; they are now edited, corrected, and made accessible to the world in print and e-formats, by the Reginetta Press. In this first volume, "The Prince of Thieves," Alexandre Dumas relates his own unique version of Robin Hood's origins and upbringing, how Robin was robbed of his heritage, how Robin becomes acquainted with Marian, Little John, Friar Tuck, and the Merrie Men, and the events leading up to Robin Hood's life as an outlaw. Alfred Allinson's translation lends enchantingly antique wording, transporting us to the charm of a Sherwood Forest of former, fanciful days.

The Dolorous Passion of Our Lord Jesus Christ Anne Catherine Emmerich 1948 The writer of this Preface was travelling in Germany, when he chanced to meet with a book, entitled, The History of the Passion of our Lord Jesus Christ, from the Meditations of Anne Catherine Emmerich, which appeared to him both interesting and edifying. Its style was unpretending, its ideas simple, its tone unassuming, its sentiments unexaggerated, and its every sentence expressive of the most complete and entire submission to the Church. Yet, at the same time, it would have been difficult anywhere to meet with a more touching and lifelike paraphrase of the Gospel narrative. He thought that a book possessing such qualities deserved to be known on this side the Rhine, and that there could be no reason why it should not be valued for its own sake, independent of the somewhat singular source whence it emanated. Economy of the Unlost Anne Carson 2009-04-11 The ancient Greek lyric poet Simonides of Keos was the first poet in the Western tradition to take money for poetic composition. From this starting point, Anne Carson launches an exploration, poetic in its own right, of the idea of poetic economy. She offers a reading of certain of Simonides' texts and aligns these with writings of the modern Romanian poet Paul Celan, a Jew and survivor of the Holocaust, whose "economies" of language are notorious. Asking such questions as, What is lost when words are wasted? and Who profits when words are saved? Carson reveals the two poets' striking commonalities. In Carson's view Simonides and Celan share a similar mentality or disposition toward the world, language and the work of the poet. *Economy of the Unlost* begins by showing how each of the two poets stands in a state of alienation between two worlds. In Simonides' case, the gift economy of fifth-century b.c. Greece was giving way to one based on money and commodities, while Celan's life spanned pre- and post-Holocaust worlds, and he himself, writing in German, became estranged from his native language. Carson goes on to consider various aspects of the two poets' techniques for coming to grips with the invisible through the visible world. A focus on the genre of the epitaph grants insights into the kinds of exchange the poets envision between the living and the dead. Assessing the impact on Simonidean composition of the material fact of inscription on stone, Carson suggests that a need for brevity influenced the exactitude and clarity of Simonides' style, and proposes a comparison with Celan's interest in the "negative design" of printmaking: both poets, though in different ways, employ a kind of negative image making, cutting away all that is superfluous. This book's juxtaposition of the two poets illuminates their differences--Simonides' fundamental faith in the power of the word, Celan's ultimate despair--as well as their similarities; it provides fertile ground for the virtuosic interplay of Carson's scholarship and her poetic sensibility.

Robinson Crusoe Daniel Defoe 2020-09-09 The Farther Adventures of Robinson Crusoe (now more commonly rendered as "The Further adventures of Robinson Crusoe") is a novel by Daniel Defoe, first published in 1719. Just as in its significantly more popular predecessor, *Robinson Crusoe* (1719), the first edition credits the work's fictional protagonist Robinson Crusoe as its author. It was published under the considerably longer original title: *The Farther Adventures of Robinson Crusoe; Being the Second and Last Part of His Life, And of the Strange Surprising Accounts of his Travels Round three Parts of the Globe.* Although intended to be the last Crusoe tale, the novel is followed by a third and final novel involving the character by Defoe entitled *Serious Reflections of Robinson Crusoe* (1720).

Robinson Crusoe. Ediz. integrale Daniel Defoe 2011

The Secret Sharer Joseph Conrad 2018-01-01 "The Secret Sharer" takes place on a sailing ship in the Gulf of Siam (now the Gulf of Thailand), at the start of a

voyage with cargo for Britain. The date is probably in the 1880s, when Conrad was at sea himself. In common with many of Conrad's stories, it is narrated in the first person. The narrator is the ship's young captain, whose name is never given. He is unfamiliar with both his ship and his crew, having joined the ship only a fortnight earlier, and unsure of his ability to exert his authority over the officers and crew who have been together for some time. He makes the point several times that he is the "stranger" on board. After being towed downriver (presumably from Bangkok) by a steam tug, the ship is left at anchor near a group of small barren islands a few miles off shore, waiting for wind to begin its voyage. An incoming ship is anchored similarly a couple of miles away, awaiting a tug to go upriver. That night, the captain, being restless, unusually takes the watch. As the only man on deck in the small hours of the morning, he sees that a man has swum up to the ship's side. The naked swimmer is hesitant to talk or come on board, but seems pleased to discover he is speaking to the captain. Once on board, the man introduces himself as Leggatt and he and the captain find a natural rapport, almost as if Leggatt were the captain's other self, especially as the captain has now fetched some of his own clothes for Leggatt to wear. Still on deck, Leggatt explains that he was the First Mate of the other ship, but was placed under arrest after being accused of murdering a crew member. The victim was a disobedient bully. During a storm which nearly sank their ship on their voyage here, Leggatt was physically wrestling with the man to make him to pull a rope when a freak wave threw them both against a bulwark and the man was killed. Leggatt, a "stranger" on the other ship just as the captain is on his, would certainly face the gallows on landing. However, he escaped his locked cabin and swam between islands to reach the narrator's ship. Though the captain could, and by all the rules should, arrest Leggatt, he instead leads him to concealment in his cabin. The captain has no plan yet, and hiding Leggatt seems impossibly difficult, given that his cabin is regularly serviced by his steward, the problem of food, a captain's movements being conspicuous to all, and the long voyage ahead. In the morning the captain of Leggatt's ship arrives by boat to inquire if the escapee has been sighted. Our captain, not a natural liar, manages to bluff through, but is left terrified as to what his own officers make of his strained behavior....
