**The Christian Book of Mystical Verse** A. W.

Tozer 2016-04-15 "... some of the best devotional verse the English language affords..." While the term "mystic" may have connotations that reach beyond traditional Christian thinking, it actually refers to a common spiritual experience that unites anyone who has fellowship with God. The poems in this book were hand-picked by Tozer and follow a logical pattern, going in line with the very nature of salvation itself and the death of Jesus on the cross, man's contemplation of his own sin, redemption, communion with God, awaiting the return of Christ, and celebrations of eternal fellowship with God in Heaven. Both intimate and exhilarating, *The Christian Book of Mystical Verse* is a book for anyone who seeks to worship God the Father, and who finds the rich language of Christians of old a great help in that endeavor.

**The True Vine: Meditations for a Month on John 15:1-16** Andrew Murray 19??

*Amy's Best Friend, Prayers of a Child* Ernie Rosenberg 2012-09-01 The prayers of 6-year old Amy to her very best friend, God. God really is Amy's best friend and she treats Him that way. She brings Him a cupcake for his birthday, helps Him out with His problems, asks to become His assistant, and even takes objection to the creation. Why is fun so important? Because it is an avenue to God that is so very, very natural to small children. It gives small children (age 3-6) spirituality with a smile, a great big smile through the practice of nighttime prayer. "Amy's Best Friend, Prayers of a Child" comprises a personal introduction from Amy followed by 14 illustrated prayers, and finally special pages to record a child's own prayers. The book is non-denominational. "Amy's Best Friend" is accompanied by two fun books to support your child's practice of prayer. First, there is a coloring book giving your child hours of fun coloring in the same prayers you have read to him/her. Second, after all the pages at the end of "Amy's Best Friend, Prayers Of A Child" have been filled with your child's own prayers, a prayer journal is available under the name "Amy's Best Friend, Prayers of A Child: My Prayers." *The Secret of Guidance* Frederick Brotherton Meyer 1896

*"By my Spirit"* Jonathan Goforth 101-01-01 Dr. A.T. Schofield says: "One thing to be borne in mind is that since the days of Pentecost there is no record of the sudden and direct work of the Spirit of God upon the souls of men that has not been accompanied by events more or less abnormal. It is, indeed, on consideration, only natural that it should be so. We cannot expect an abnormal inrush of Divine light and power, so profoundly affecting the emotions and changing

the lives of men, without remarkable results. As well expect a hurricane, an earthquake, or a flood, to leave nothing abnormal in its course, as to expect a true Revival that is not accompanied by events quite out of our ordinary experience."

**Favorite Psalms** John Stott 2003-10-01 Offers insight into thirty-eight chapters of Psalms, offering insight and practical applications that address their backgrounds and themes. Original.

**God's Abundant Grace** Dwight L Moody 1998-01-01 "MANY OF YOU HAVE BEEN KEPT OUT OF THE KINGDOM OF GOD BY YOUR GOOD WORKS." A startling thought, isn't it? Righteous acts and hard work may be the very things that lock the door to God's salvation, writes D. L. Moody. The faith versus works debate has gone on for two thousand years. Today the confusion continues. How many people, perhaps even you, believe that if they try hard enough, they may be able to escape judgment and receive God's gift of salvation? In *God's Abundant Grace*, D. L. Moody's words reach forward in time to strip away the layers we've added to God's salvation and lay bare the simple instruction: "To him that worketh not, but believeth to Him,... his faith is counted for righteousness."

**Facing Loneliness** J. Oswald Sanders 2014-06-10 J. Oswald Sanders says loneliness originates in mankind's alienation from God, but that it can mature you spiritually and morally if you'll learn to reach out and care for others, instead of seeking comfort for yourself. *Facing Loneliness* encourages and challenges you to take specific steps to overcome the sorrow of loneliness.

### **The Varieties of Religious Experience**

William James 1892-12-16 Selected by the Modern Library as one of the 100 best nonfiction books of all time "The Varieties of Religious Experience is certainly the most notable of all books in the field of the psychology of religion and probably destined to be the most influential [one] written on religion in the twentieth century," said Walter Houston Clark in Psychology Today. The book was an immediate bestseller upon its publication in June 1902. Reflecting the pluralistic views of psychologist-turned-philosopher William James, it posits that individual religious experiences, rather than the tenets of organized religions, form the backbone of religious life. James's discussion of conversion, repentance, mysticism, and hope of reward and fears of punishment in the hereafter—as well as his observations on the religious experiences of such diverse thinkers as Voltaire, Whitman, Emerson, Luther, Tolstoy, and others—all support his thesis. "James's characteristic humor, his ability to put down the pretentious and to be unpretentious, and his willingness to take some risks in his choices of anecdotal data or provocative theories are all apparent in the book," noted Professor Martin E. Marty. "A reader will come away with more reasons to raise new questions than to feel that old ones have been resolved."

**The Triumph of the Cross** Richard Viladesau 2008-04-22 This is a sequel to Richard Viladesau's well-received study, *The Beauty of the Cross: The Passion of Christ in Theology and the Arts from the Catacombs to the Eve of the Renaissance*. It continues his project of presenting theological history by using art as both an independent religious or theological "text" and as a means of understanding the cultural context for academic theology. Viladesau argues that art and symbolism function as alternative strands of theological expression sometimes parallel to, sometimes interwoven with, and sometimes in tension with formal theological reflection on the meaning of crucifixion and its role in salvation history. This book examines the two great revolutionary movements that gave birth to the modern West: the Renaissance and the Protestant Reformation.

This period was eventful for both theology and art, and thus particularly fruitful for Viladesau's project. Using individual works of art, over sixty of which are reproduced in this book, to epitomize particular artistic and theological models, he explores the contours of each paradigm through the works of representative theologians as well as liturgical, poetic, artistic, and musical sources. To name a few examples, the theologies of Savonarola, Luther, Calvin, and the Council of Trent, are examined in correlation to the new situation of art in the era of Fra Angelico, Leonardo, Michelangelo, Dürer, Cranach, and the Mannerists. In this book, Viladesau continues to deepen our understanding of the foremost symbol of Christianity.

Maxwell simply and practically shows how an understanding of our identification with Christ in his death and resurrection can lead to life as it was meant to be lived. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. **Power Through Prayer** Edward M. Bounds  
2021-09-21 The contents of this message upon

prayer should be read alike by preacher and teacher, evangelist and intercessor. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head.
