He's at his most vulnerable just when Anita needs him the most. The vampire who created him -- who subjected him to centuries of torture -- might be losing control, allowing rogue vampires to run wild and break one of their kind's few strict taboos. When Anita joins forces with her friend Edward to stop the carnage, Damian will be at their side, even if it means traveling back to the land where all his

nightmares spring from ... a place that couldn't be less welcoming to a vampire, an assassin, and a necromancer: Ireland.

The Killing Dance Laurell K. Hamilton 2010-02-04 'These days my life is a cross between a preternatural soap opera and an action-adventure movie.' The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise. But I'm beginning to

wonder if two monsters are better than one...

The Undead and Theology Kim Paffenroth

2012-09-21 The academy and pop culture alike recognize the great symbolic and teaching value of the undead, whether vampires, zombies, or other undead or living-dead creatures. This has been explored variously from critiques of consumerism and racism, through explorations of gender and sexuality, to consideration of the breakdown of the nuclear family. Most academic

examinations of the undead have been undertaken from the perspectives of philosophy and political theory, but another important avenue of exploration comes through theology. Through the vampire, the zombie, the Golem, and Cenobites, contributors address a variety of theological issues by way of critical reflection on the divine and the sacred in popular culture through film, television, graphic novels, and literature.

Dead Ice Laurell K. Hamilton 2015-06-04

Sunday Times and New York Times bestselling author Laurell K. Hamilton returns with another addictive adventure featuring vampire-hunting heroine Anita Blake, to thrill fans of Charlaine Harris and Anne Rice. My name is Anita Blake and I have the highest kill count of any vampire executioner in the country. I'm a U.S. Marshal

who can raise zombies with the best of them. But ever since master vampire Jean-Claude and I went public with our engagement, all I am to anyone and everyone is Jean-Claude's fiancée. It's wreaking havoc with my reputation as a hard ass - to some extent. Luckily, in professional circles, I'm still the go-to expert for zombie issues. And right now, the FBI is having one hell of a zombie issue. Someone is producing zombie porn. I've seen my share of freaky undead fetishes, so this shouldn't bother me. But the women being victimised aren't just mindless, rotting corpses. Their souls are trapped behind their eyes, signalling voodoo of the blackest kind. It's the sort of case that can leave a mark on a person. And my own soul may not survive unscathed . . .

Bloody Bones Laurell K. Hamilton 2010-02-04
'When the monsters are involved, it's never just one dead body. One way or another the dead multiply.' First, there were the dead in the graveyard, two hundred years dead. I'd been hired to raise them to settle a dispute over who owned the land they were buried in. Then there were the three dead teenagers in the woods, slaughtered in a way I'd never seen before. And then they found the dead girl, drained of blood and left in her bed. I knew what that meant of course. It didn't take a degree in preternatural studies to figure out that something was wrong. And I was right in the middle of it. My name is Anita Blake. Welcome to my life ...

everyone bitten tonight caught this? The other bites had not looked like vampire bites. They'd been zombie, or human looking. Was this infection something that vampires and shapeshifters could catch? If it was, then it was something new. Some zombies are raised. Others must be put down. Just ask me, Anita Blake, Vampire Hunter. Before now, I figured I could handle them. Before now, I had never heard of any of them causing human beings to perish in agony. But that's all changed. Micah's estranged father lies dying, rotting away inside from some strange ailment that has his doctor's whispering about 'zombie disease'. I make my living from zombies - but these aren't the kind I know so well. These creatures hunt in daylight, and are as fast and strong as vampires. If they bite you, you become just like them. And round and round it goes ... Where will it stop? Even I don't know.

2010-04-01 An Anita Blake, Vampire Hunter, novel 'The bride was a witch who solved preternatural crimes. The groom raised the dead and slew vampires for a living. It sounded like a Halloween joke, but it wasn't.' When I'm not up my elbows in sacrificial gore, I've got serious preternatural issues to deal with. Psychotic

shape-shifters, duplicitous vampires and sexually deviant were-leopards. And that's just my friends. I'm Anita Blake, Vampire Hunter and Federal Marshall. My life is more complicated than ever, caught up between obligations to the living and to the undead. Now there is a vampire serial killer preying on strippers. And I've been called in to help the police.

Guilty Pleasures Laurell K. Hamilton 2009-09-17 'I don't date vampires. I kill them.' My name is Anita Blake. Vampires call me the Executioner. What I call them isn't repeatable. Ever since the Supreme Court granted the undead equal rights, most people think vampires are just ordinary folks with fangs. I know better. I've seen their victims. I carry the scars ... But now a serial killer is murdering vampires - and the most powerful bloodsucker in town wants me to find the killer.

Cerulean Sins Laurell K. Hamilton 2010-04-01 'People don't like dealing with people who raise the dead. Don't ask me why, but we make them nervous.' There's something about Leo Harlan that I don't like. He's asked me to reanimate his long-dead ancestor, and it seems like a perfectly ordinary case for someone like me: Anita Blake, preternatural expert, vampire hunter and raiser of the dead. So I agree - sometimes you deal with the devil not because you want to, but because if you don't, someone else will. But what he hasn't told me is that the corpse may hold the

secret to an ancient crime that not everyone wants to be remembered.

Blood Noir Laurell K. Hamilton 2010-08-05 'The ardeur made me a sort of living vampire who fed off sex, but with the downsides came some interesting upsides.' Jason is a werewolf. He's one of my best friends and sometimes a lover. And right now he needs me, Anita Blake - not to be a vampire hunter, or a Federal Marshall, or a necromancer, but because his father is dying. I can help make him look like an everyday guy, help him say goodbye to the abusive father he's never loved. How hard can it be? Really, by now, you'd think I'd know better. Because this is the weekend that Marmee Noir, ancient mother of all vampires, picks to make her move. I've got something she wants - and now she's going to take it.
